

## **Art**

**Grade Level: 7-9**

**Thursdays 1:00-2:30**

**Teachers: Mache Solares**

**Student Fee: \$85**

**Class Size Limit: 15**

Students will explore realistic, expressive and abstract approaches to traditional and experimental color theory through a variety of media, which will include watercolor, acrylic, pencil and charcoal, oil and chalk pastels. Students will have an opportunity to express their vision and ideas and will demonstrate an increasing art vocabulary. As always, we will have an art journal that will be used for expression and entries will be shared in class regularly.

Supply List: The above fee will cover all classroom expenses. Please know that there are no guarantees that the art materials will come out of clothing. Please dress your child appropriately.

Homework: Most of the homework will be in the art journal.
