(2 Peter 2:9)</p>	<p>Seita and Emma Sakaguchi: Pray for increasing fruit in the discipleship of the three ladies who recently became members of our church plant, as well as for the Spirit's illuminating work for four non-Christian ladies who are in a Bible study with them.</p>	<p>Seita and Emma Sakaguchi: Pray that God would grant us to purchase our current apartment, which has been used for all of our gatherings, in order for us to establish a long-term presence in our community. Pray for \$5,000 increase in monthly support in the coming year.</p>	<p>Pray for Andre and Kathy Yee's Bible study in partnership with Bridges International: attendance has dropped significantly from prior semesters. We're praying specifically for enough leaders for 6-8 freshmen small groups.</p>	<p>Pray for the witnessing conversations our small groups will have with campus about color-blindness and God's heart for multi-ethnicity (happening mid-February). Pray for the not-yet-Christians in our community to place their faith in Jesus.</p>	<p>Pray for us to be able to open a second location to better serve the homeless spread throughout the county. Also, for better temporary housing options such as a high-rise with services like the Lamb Center attached to help them through the transition.</p>	<p>Pray for work for the guests, which gives them dignity. Pray that a program with the county would be successful where the county would hire the guests to pick up trash around the city.</p>
