

Below are discussion questions for you to consider related to today's message "Pray for Your Kids."

## Discussion Questions:

1. How is the book, "Pray for Your Kids," laid out? How might one use this to pray for children?
2. If you don't have children of your own, are there children God has brought into your life that you can pray for?
3. If you have children, what are your goals for them? What Scriptures help guide you in this?
4. Why do you think kids who grow up in church sometimes take on the form of Christianity but fail to make Jesus their treasure?
5. How do you preserve your joy in having Christ as your treasure?
6. What Scriptures help you to pray when you've been hurt or disappointed by your child?
