

Below are follow up questions for you to consider related to today's message "Disciples Know Jesus" from John 1:43-51.

Discussion Questions:

1. What are some of the reasons why some Christians do not live like Christians?
2. We are defining a disciple *as someone who knows, loves, and obeys Jesus, and encourages others to do the same*. How is this similar or different from the way you've thought about what it means to be a disciple?
3. What would happen in a church if everyone agreed that being a disciple was a good thing but had differing ideas about what that meant?
4. When Jesus calls Philip to "follow me," what would that look like in Philip's life? What would change?
5. What do you think about the way that Philip and Jesus responded to Nathanael's skepticism? How do you find yourself responding to skeptics?
6. Is there someone who said, "Come and see" to you, and helped you encounter Jesus? Is there someone you are hoping to do this with?
7. What does Jesus mean when he says that he is the Son of Man (see Daniel 7:13-14)?
8. What can we learn about Jesus from this passage?
9. What can we learn about being a disciple from this passage?
10. What gets in the way from you from becoming a disciple? Or becoming a growing disciple? How might God be at work in you now to help you take a step towards authentic discipleship?
