

Below are follow up questions for you to consider related to today's message "#3: Speaking of God" from Exodus 20:7.

## Discussion Questions:

1. Can you recite the 10 Commandments?
2. How do the first 3 commandments fit together? How would a life shaped by them look different from a life that pays them no regard?
3. Do you remember visiting a new place for the first time? How did the name of that place take on more depth after the visit? Have you had that experience with God's name?
4. What are five things that God reveals to us about his character in Exodus 3:3-5 when he says, "I AM who I AM"?
5. If "in vain" means something like, "as nothing, empty," how does that help us understand what it means to break this commandment?
6. What does C3 confront in you about your character?
7. What are the most obvious violations of this commandment?
8. When it comes to phrases like OMG, Jeez, dang, etc., where do you draw the line? Has this been a category for you? How can we have convictions about this without creating new laws beyond what God creates?
9. How does Jesus teach his disciples to keep C3 in the Lord's Prayer?
10. If Christians both speak God's name and bear God's name (Matt. 28:19), how does that impact what it looks like to keep C3?
11. Is it possible to break C3 without actually using God's name at all?
12. If all of history climaxes in the exaltation of a name, the name of Jesus, (Phil. 2:9-11), how can that impact how we live today?
