

Below are follow up questions for you to consider related to today's message "#4: From Sabbath to Lord's Day" from Exodus 20:8-11.

1. God reveals his character through his commandments. What are you learning about what God is like through our study of commandments 1-4?
2. Can you recite the first four commandments from memory?
3. What are some ways that Christians differ in the way they apply the fourth commandment? How can we show honor and respect to those who differ?
4. How did God intend for Israel to keep the fourth commandment in their rest, worship, and remembrance?
5. How does Jesus' teaching in Matt. 11:28-30 hint at a change in what Sabbath rest looks like?
6. What is the Sabbath rest we see in Hebrews 4:9-11? When do we enter this rest?
7. Why did Christians shift their day of worship from the 7th day to the 1st day of the week?
8. How do you find rest for your soul in Christ?
9. How do you observe the Lord's Day? In what ways is it a delight? What obstacles do you find to gathering for worship on that day?
10. How and when do you rest physically?
11. How might your life look different if you took seriously the implications of the fourth commandment?
