

The background of the left panel is a dark, moody sky filled with heavy, grey, and black clouds, suggesting a storm or a somber atmosphere.

Good Friday

March 29
6:00 p.m.

The background of the right panel is a bright, colorful sky with a sunburst effect in the top right corner. The colors transition from warm oranges and yellows near the sun to cooler blues and greens towards the bottom, with soft, white clouds scattered throughout.

Easter Sunday

March 31
10:30 a.m.

Jesus not only died for us,
he rose again. Come join us
to find out why that's the
best news you'll ever hear!
